Southern California Edison (SCE) Joint Use Agreement - Public Works Director reported that a condition of approval of Parcel Map No. 15911 is the widening and reconstruction of San Bernardino Avenue between Mt. View Avenue and California Street. This necessitates the relocation of SCE poles and overhead facilities to an area within the new public right-of-way along San Bernardino Avenue. SCE is requesting that the City approve a Joint Use Agreement for the future disposition of these facilities, prior to the poles and facilities being relocated. The final agreement will be completed and presented to the City Council for approval within 30 days. Councilmember Gilbreath moved to approve the Letter of Agreement for Joint Use Agreement between the Southern California Edison Company and the City for relocation of electrical facilities in public right-of-way along San Bernardino Avenue in conjunction with the Western Realco/Bixby Land Company development. Motion seconded by Councilmember Pepler and carried by AYE votes of all present.
