### CONSTRUCTION PROGRESS

### Project Updates & Issues

Slurry seal operations are finishing up this week with the following streets: Independence Ave, Dearborn St, Pennsylvania Ave, Kirby Ct, Church St, Bermuda Dr, Coronado Dr, Ardmore Ave, Juniper Ct, Bermuda Dr, and Clay St. Paving will be completed on Edgemont Dr, Fairmont Dr, and Verde Vista Dr. Pulverization operations have begun on Country Club Dr, Valley View Dr, and Fairway Dr.

### 2-Week Look Ahead

The process of pulverization, grading, cement treating, and paving will take about 2-3 weeks to complete. Soon after streets have been paved or slurry sealed, striping and pavement markings will begin being laid out. Pulverization is planned to begin on the final streets, Rebecca Crest and Center St, on 5/17/24.

### Current Construction Process

There is a variety of work currently being done throughout the City associated with this project. Residents should expect minor delays. Drivers should adhere to posted signs and use proper precautions. If restricted parking is necessary, "No Parking" signs will be posted 48 hours in advance of construction activities.
