I. CALL TO ORDER, ROLL CALL, PLEDGE OF ALLEGIANCE

The meeting was called to order at 6:40 P.M. by Chairperson Bob Pearce with the Pledge of Allegiance.

II. Approval of the minutes of the Regular Meeting of April 4, 2012.

Minutes were tabled to the regular meeting for Jun 6, 2012.

III. Items

A. Maintenance items were addressed for the runway and Redlands Aviation hangars

- A strobe light has been out for Runway 8 and needs attention.
- Weeds are a constant issue for Redlands Aviation and the City of Redlands. Weeds in the apron are causing damage to the surface which causes damage to aircraft.
- Hanger space #33 is accumulating junk again and there appears to be equipment outside of the hangar that is not properly stored. The Board would like this issue to be addressed.

B. Parking at the center gate was addressed

- Parking at the center gate is a safety concern for emergency vehicles. An airport user parks at the gate inside the airport area because it is closer to the Hanger 24 facilities. Mr. Ott stated he could paint the curb RED and this would solve the issue for all future parking.
- A discussion was held on the initial recommendations for a parking and airport codes update from the Ad Hoc Committee. Further discussion will be held at the next regular meeting of the Board in June. Items for “add ons” to the draft parking codes were discussed.

C. Hangar numbering will be continued to the next regular meeting of the Board in June

IV. Public Comment

There was no public comment.

Meeting was adjourned at 7:45 P.M.
