Resolution No. 406 - Low and Moderate Income Housing Fund - Interim Redevelopment Agency Director Dukett explained adoption of this proposed resolution will declare the Redevelopment Agency's policy that the expenditure of monies from the low and moderate income housing fund outside the Redlands Redevelopment Project area for purposes authorized under the California Community Redevelopment Law are and will be of benefit to the Project. The adoption of this resolution will eliminate the need to consider future case by case benefit finding resolutions for affordable housing projects that will, in effect, conserve staff resources.
