PLANNING AND COMMUNITY DEVELOPMENT

Density Bonus Housing Agreement - Housing Authority Partners I - Community Development Director Shaw reported the City Council, on June 19, 2007, approved multiple requests for the Housing Authority Partners I, Incorporated that included a General Plan Amendment, Zone Change and Conditional Use Permit to allow for the development of a 71-unit senior housing complex on approximately 3.63 acres located on the east side of Webster Street, north of Lugonia Avenue. The City Council also adopted a Mitigated Negative Declaration for the project. On staff's recommendation, the City Council continued the request for approval of a density bonus agreement. Because the project is designed for low or very low income seniors, it is eligible for this incentive. The Redevelopment Agency has been working concurrently on additional incentive agreements in order to ensure they are consistent with this density bonus agreement (See Redevelopment Agency minutes for November 6, 2007). Final concurrence has now been reached on the Agency Incentive agreements between staff and the applicant; therefore, staff now recommends the density bonus agreement be approved. Expressing
appreciation to all involved, Councilmember Gil moved to approve the density
bonus agreement with Housing Partners I, Incorporated for Assessor's Parcel
No. 167-201-68 and authorized the Mayor to execute, and the City Clerk to
attest to, the document on behalf of the City. Motion seconded by

Interim Director Van Dorst presented Resolution No. 6662, a resolution of the
City Council of the City of Redlands authorizing establishment of permit
processing incentives for Leadership in Energy and Environmental Design
(LEED) development. Processing permit incentives include streamlining the
permit process for LEED certified development by moving the review and
approval permit process for LEED development to the "head of the line." Jan
Stephens, Inland Empire Labor and Management Cooperation Committee,
supports cities and the County of San Bernardino to bring "green" into our
communities and offered their assistance. Councilmember Gilbreath moved to
adopt Resolution No. 6662. Motion seconded by Councilmember Gallagher
and carried unanimously.

Ordinance No. 2684 - City Treasurer Duties - At a special meeting held on
October 23, 2007, the City Council authorized the City Manager to accept
certain additional duties associated with the operations of the City Treasurer's
office. At the recommendation of the City Manager, Ordinance No. 2684
amends the provisions of the Redlands Municipal Code to reassign certain
responsibilities and duties from the City Treasurer to the City's Finance Director
or the Director's designee. Following discussion, Ordinance No. 2684, an
ordinance of the City of Redlands amending Chapters 2.16, 3.24, 5.04, 5.16,
5.20, 5.68, 6.04 and 8.64 of the Redlands Municipal Code relating to duties
associated with the sale of surplus City property, the administration of transient
occupancy and business license taxes, the issuance of alarm system, outdoor
festival, bingo and yard sale permits, and the administration of dog licenses and
fortune telling permits, was read by title only by City Clerk Poyzer, and on

Councilmember Gallagher felt the "checks and balances" system was important and that it was much too premature to take this action. Councilmember Gil did not feel this was the appropriate time to take this action and wanted to let the investigation take its course. Councilmember Aguilar also felt it was premature and was not supportive of this action at this point. Mayor Harrison felt more research and analysis was needed. No action was taken on this resolution.

Resolution No. 6664 - Ballot Arguments - No action was taken on Resolution No. 6664, a resolution of the City Council of the City of Redlands setting priorities for filing a written argument regarding the City Council's submission of the question to the voters of whether the Office of City Treasurer shall be appointive.
