NEW BUSINESS:

Resolution No. 452 – Payment of Enforceable Obligations – Development Services Director Oscar Orci presented background information leading to a request to the City of Redlands for a loan to the Successor Agency in the amount of $3,157,400 to provide adequate funds for enforceable obligations approved for July 2012 to December 2012. As a public comment, Arlen Einertson wanted to know how the planned source of funds for the loan could be from the Water Fund. He cited recent years’ water rate increases and asked why those increases were necessary if the Fund could loan out over $3,000,000 without affecting the City of Redlands water operations. Steve Rogers agreed and suggested the funds should be taken from reserves. On motion of Councilmember Gardner, seconded by Councilmember Harrison, the City Council approved Resolution No. 452 requesting and approving receipt of the loan as recommended by staff.

Resolution No. 453 – ROPS - On motion of Councilmember Gardner, seconded by Councilmember Harrison, the City Council approved Resolution No. 453 adopting a Recognized Obligation Payment Schedule (ROPS) for January through June 2013 pursuant to Division 24 of the California Health and Safety Code. As a public comment, Steve Rogers noted the rent being paid for office space for the dissolved Redevelopment Agency and suggested those offices should be closed.
