NEW BUSINESS:

Resolution No. 6941 – Desert Protection – Marisa Calderon, of the California Wilderness Coalition, provided a presentation on the California Desert Protection Act of 2010, a bill to designate certain federally owned lands in Southern California as National Monuments and Off Highway Vehicle Recreation Areas for the purpose of creating a framework to address renewable energy development, recreation on these lands and ecotourism in the area. Several speakers, representing diverse groups, provided public comments in support of the bill. Mayor Pro Tem Bean expressed concern that no one was present to speak against the bill. He pointed out that a proper decision should consider both sides of an argument. On motion of Councilmember Aguilar, seconded by Councilmember Harrison, the City Council unanimously approved Resolution No. 6941 endorsing and supporting the designation of wilderness, wild and scenic rivers, national monuments and National Park and Preserve wilderness additions within the California Desert Conservation Area.

Budget Advisory Committee - On motion of Mayor Gilbreath, seconded by Mayor Pro Tem Bean, the City Council voted to approve the appointment of Mayor Pro Tem Bean and Council Member Gallagher to an Ad-hoc Fiscal Year 2010-2011 Budget Advisory Committee whose purpose is to advise the City Council, the City Manager and staff regarding that budget. The committee’s duration is to be limited and it is not subject to the Brown Act. Councilmember
Aguilar expressed his nonconcurrence with the formation of a budget subcommittee. He said he preferred to have all budget issues addressed by the City Council as a whole. Councilmembers Harrison and Aguilar voted against appointing the subcommittee.

Petroleum Product Purchase Agreements - On motion of Mayor Pro Tem Bean, seconded by Councilmember Gallagher, the City Council unanimously approved the award of bids to Petro Diamond, Merit Oil and Beck Oil for the purchase of fuel, oil, coolant, greases and hydraulic fluids.

PUBLIC HEARING:

Resolution No. 6932 - Sign Conditional Use Permit (CUP) No. 12 – Mayor Gilbreath opened the public hearing and called for a report from Manuel Baeza, Principal City Planner, covering the facts bearing on the CUP request to construct a freeway-oriented sign with an area of approximately 570 square feet and a height of 80 feet for Toyota of Redlands located at 921 New York Street in the EV/CG (General Commercial) District of the East Valley Corridor Specific Plan. Applicant testimony was provided by Gary Quiel, the builder of the sign, and Tom Bell, business owner. Mr. Quiel said the panels on the sign could be changed to accommodate changes in automobile inventory brand names. In response to a question from Mayor Pro Tem Bean, Mr. Bell assured the Council that shared use of the sign by neighboring like businesses would be a negotiable option if the situation were to arise in the future. As a public comment, Jeff Sceranka, President, Redlands Chamber of Commerce, expressed his support of the CUP request. On motion of Mayor Pro Tem Bean, seconded by Councilmember Gallagher, the City Council unanimously approved Resolution No. 6932 authorizing Sign CUP No. 12.

ABSENT: None
CLOSED SESSION REPORT:

City Attorney McHugh announced there was no reportable action taken during the closed session.

NEW BUSINESS:

Grant of Easement - On motion of Mayor Pro Tem Bean, seconded by Councilmember Gallagher, the City Council unanimously approved doubling the size of an easement currently granted to Southern California Edison at the Texas Grove Facility.

PUBLIC HEARING:

Ordinance No. 2730 - Solid Waste Pull Down Service Rate – Mayor Pro Tem Bean and Councilmember Gallagher recused themselves from discussion and decisions on Ordinance No. 2730 because they are subscribers to Solid Waste Pull Down Service. Mayor Gilbreath opened the public hearing and called for a report from Gary Van Dorst, Quality of Life Director, who introduced Richard Tagore-Erwin of R3 Consulting Group, Inc. Discussion was confined to service rates for 280 subscribers of the City of Redlands Pull Down Service which involves containers being pulled down to the street by city employees prior to loading onto solid waste vehicles. On motion of Councilmember Aguilar, seconded by Councilmember Harrison, the three remaining principals unanimously approved the introduction of Ordinance No. 2730 which raises pull down service rates to $12.87 effective 7/1/2010 and $14.16 effective 1/1/2011.

Ordinance No. 2729 - Solid Waste Service Rates - Mayor Gilbreath opened the public hearing and called for Mr. Tagore-Erwin to continue his report to include all other solid waste service rates. The reasons cited for the need to increase service rates included a decrease in revenues from recycling, an increase in road use taxes, a loss of revenues due to the Redlands Unified School District changing service providers, and the need to replace vehicles in the aging solid waste collection fleet. Steve Stockton, from the Municipal Utilities and Public Works Commission, stated the commission fully supports the rate increases. Mayor Gilbreath pointed out that a major portion of the cost increases are due to mandates dictated by agencies external to the City of Redlands. As a public comment, Frederick Petry, President of the Brookside Park Apartments
Homeowners Association, pointed out the timing of the rate increases does not provide adequate warning to address the change in his organization’s budget planning process. He suggested a phased process of three equal increases beginning with January 1, 2011 and continuing on July 1, 2011 and again on January 1, 2012. On motion of Councilmember Aguilar, seconded by Councilmember Harrison, the City Council voted to transfer $28,914.00 from the General Fund to the Solid Waste Enterprise Fund to address additional costs associated with Blue Curb Service and direct staff to provide more information on Blue Curb Service within 90 days, and examine alternative ways to fund this service. Mayor Gilbreath and Councilmember Gallagher opposed the motion. On motion of Councilmember Aguilar, seconded by Councilmember Harrison, the City Council voted to approve the introduction of Ordinance No. 2729 which raises all other solid waste service rates 10% effective 7/1/2010 and another 10% effective 1/1/2011. Councilmember Gallagher was not convinced the rate increases cannot be avoided and voted against introducing the ordinance.

PUBLIC COMMENTS:

Volunteerism – Dennis Shelby, a 52 year resident of Redlands, expressed his displeasure with the junk mail he receives and then adds to his solid waste usage. He questioned whether lawn care workers in his neighborhood have business licenses. He volunteered to help enforce license requirements and recommended the use of volunteers to provide Blue Curb Service to invalid residents.

ADJOURNMENT

There being no further action required, the City Council meeting adjourned at 6:49 P.M. The City Council will meet at their next regularly scheduled meeting on May 4, 2010.
