REDLANDS

**Community Risk Reduction Division
Dynamic Deployment Plan**

In order to provide a high level of customer service during the COVID-19 event, the Redlands Community Risk Reduction (CRR) Division will operate under the following deployment plan.

This plan will take effect on March 17th with an expected update on April 30th.

Fire Plan Review & Inspections: New Construction and Licensing

Plan review of new construction or tenant improvement projects, including fire sprinklers and other fire suppression systems, will be conducted by CRR Division staff remotely & electronically. Inspections will be conducted with a combination approach.

- Please contact the main line at 909-798-7600 for additional details
- Please email 'flattened' pdf files of plans, calculations, manufacturer specification sheets, and any related documents to fireprevention@cityofredlands.org

Phones and Email Communications

CRR Division phones and email will be monitored remotely during normal business hours. Monday through Thursday, 7:30 AM to 5:30 PM. CRR Divisions staff will strive to return voicemails within one business day.
