

LIST OF RADIUS MAP PROVIDERS

This list is made available to project applicants for informational purposes only. It is the responsibility of applicants to verify that the company they wish to utilize is qualified to prepare radius maps, ownership lists, and mailing labels for the City of Redlands to use in processing the applicant's application. The company does not need to be included on this list, and applicants may choose any other company or individual to prepare a radius map, ownership list, and mailing labels.

The list preparer is required to sign and certify (with signature notarization) that the radius map, ownership list, and mailing labels are accurate and current. See "Letter of Certification" form attached to the Development Application Form or the Legislative Application Form.

This list is NOT an endorsement or recommendation by the City of Redlands, nor does the City of Redlands or Development Services Department make representation or warranty of any kind, expressed or implied, of any company or individual's qualifications, ability, or capacity.
