CITY OF REDLANDS
PERMIT NO.
Building and Safety Department Permit

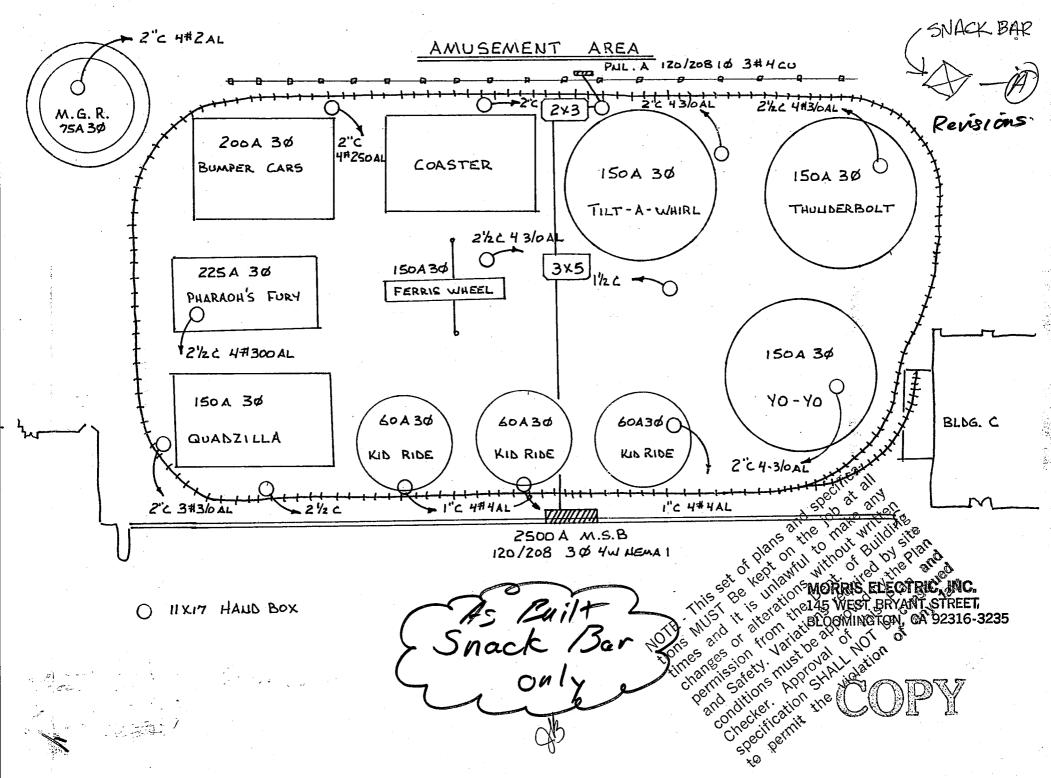

NOTE: THIS FORMAT IS AS REQUIRED AND PRESCRIBED BY STATE LAW

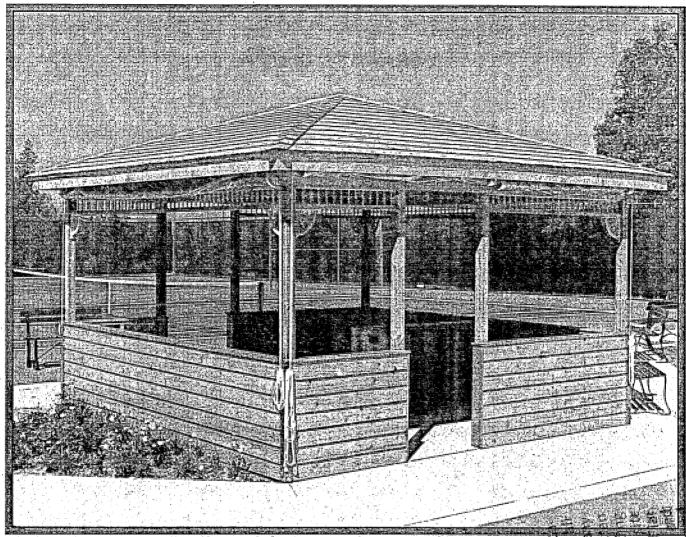

NOTE: THIS FORMAT IS AS REQUIRE	ED AND PRESCRIBED BY STATE LAW
OWNER-BUILDER DECLARATION I hereby affirm under penalty of perjury that I am exempt from the Contractors License Law for the following reason (Sec. 7031.5, Business and Professions Code: Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500).):	Title 6, C.A.C.) As owner-builder, I will not employ anyone to do work which would require a permit from Division of Industrial Safety, as noted above, unless such person has a permit to do such work from the division.
I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044, Business and Professions Code: The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who does such work himself or herself or through his or her own employees, provided that such improvements are not intended or offered for sale. If, however, the building of improvement is sold within one year of completion, the owner-builder will have the burden of proving that he or she did not build or improve for the purpose of sale.). I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code: The Contractors License Law does not apply to an owner of property who builds	OT OF REDLANDS
or improves thereon, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractors License Law.). 1 am exempt under Sec. , B. & P.C. for this reason WILL THE APPLICANT OR FUTURE BUILDING OCCUPANT HANDLE A HAZARDOUS MATERIAL OR A MIXTURE CONTAINING A HAZARDOUS MATERIAL EQUAL OR GREATER THAN THE AMOUNTS SPECIFIED NO ON THE HAZARDOUS MATERIALS GUIDE? WILL THE PROPOSED BUILDING BE WITHIN 1000 FEET OF THE OUTER BOUNDARY OF A SCHOOL?	
IF "YES" TO ANY OF THE ABOVE, YOU MUST OBTAIN PROPER PERMITS FROM SOUTH COAST AIR QUALITY MANAGEMENT. IF AIR PERMITS ARE NOT REQUIRED, PROVIDE A WRITTEN STATEMENT FROM AIR QUALITY AGENCY. IF "YES" TO ANY OF THE ABOVE CONTACT: SAN BERNARDINO COUNTY, DEPARTMENT OF ENVIRONMENTAL HEALTH SERVICES, 385 N. ARROWHEAD - FIRST FLOOR PUBLIC COUNTER, SAN BERNARDINO CA 92415-0160 -	CALIFORNIA
0909) 387-3044 OWNER OR AUTHORIZED AGENT	BUILDING PERMITS ARE SUBJECT TO EXPIRATION IF WORK IS NOT COMMENCED WITHIN 180 DAYS AFTER DATE OF ISSUANCE OR IF WORK IS SUSPENDED FOR 180 DAYS.

CITY OF REDLANDS PERMIT NO. Building and Safety Department Permit NOTE: THIS FORMAT IS AS REQUIRED AND PRESCRIBED BY STATE LAW

I hereby affirm under penalty of perjury that I am exempt from the Contractors License Law for the following reason (Sec. 7031.5, Business and Professions Code: Any city or county which requires a permit to construct, after, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed	be made in connection with work authorized with this permit, and that no building structure, scaffolding, falsework,
statement that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt therefrom and the	Title 8, C.A.C.)
basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500).):	Safety, as noted above, unless such person has a permit to do such work from the division.
I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044, Business and Professions Code: The Contractors License Law	L Division of Industrial Safety Permit No.
does not apply to an owner of property who builds or improves thereon, and who does such work himself or herself or through his or her own employees, provided that such improvements are not intended or offered for sale. If, however,	
the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he or she did not build or improve for the purpose of sale.).	
1, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code: The Contractors License Law does not apply to an owner of property who builds	
or improves thereon, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractors License Law.).	
I am exempt under Sec, B. & P.C. for this reason

BUILDING DEPT

CITY OF REDLANDS PERMIT NO. Building and Safety Department Permit NOTE: THIS FORMAT IS AS REQUIRED AND PRESCRIBED BY STATE LAW

OWNER-BUILDER DECLARATION I hereby affirm under penalty of perjury that I am exempt from the Contractors License Law for the following reason (Sec. 7031.5, Business and Professions Code: Any city or county which requires a permit to construct, after, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt therefrom and the	be made in connection with work authorized with this permit, and that no building structure, scaffolding, falsewor or demolition or dismantling thereof, will be more than thirty-six (36) feet high. (Chap. 3.2. Grp. 2. Art 2, Section 34 Title 8, C.A.C.)
basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than live hundred dollars (\$500).): I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044, Business and Professions Code: The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who does such work himself or herself or	Safety, as noted above, unless such person has a permit to do such work from the division. Division of Industrial Safety Permit No.
through his or her own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he or she did not build or improve for the purpose of sale.). I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code: The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractors License Law.).	OF REDIAMOS
I am exempt under Sec, B. & P.C. for this reason

Building and Safety Department Permit

NOTE: THIS FORMAT IS AS REQUIRED AND PRESCRIBED BY STATE LAW OWNER-BUILDER DECLARATION **DIVISION OF INDUSTRIAL SAFETY PERMIT CERTIFICATION** I hereby affirm under penalty of perjury that I am exempt from the Contractors License Law for the following reason (Sec. 7031.5, Business and Professions Code: Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500).): I hereby certify that no excavation five (5) or more feet in depth into which a person is required to descend, will be made in connection with work authorized with this permit, and that no building structure, scaffolding, falsework, or demolition or dismantling thereof, will be more than thirty-six (36) feet high. (Chap. 3.2. Grp. 2. Art 2, Section 341, Title 8. C.A.C.) As owner-builder, I will not employ anyone to do work which would require a permit from Division of Industrial Safety, as noted above, unless such person has a permit to do such work from the division. DIVISION OF BUILDING AND SAFETY

CITY OF REDLANDS

(909) 798-7536

24 Hours Notice REQUIRED for ALL Inspections Building Inspector's Office Hours 7:00 - 8:00 a.m.

A permit shall expire and become null and void if substantial work is not commenced within 180 days, or if the work is suspended or abandoned for a period of 180 days.

All work must be left open for inspection.

Inspector must sign all spaces pertaining to this job. **NOTE:** The Uniform Building Code provides for a special charge for reinspections when the work is not ready for initial inspection.

CONTRACTOR

This inspection record shall be placed in a conspicuous place on the job.

DIVISION OF BUILDING AND SAFETY

CARLES AT THE

CITY OF REDLANDS

(909) 798-7536

24 Hours Notice REQUIRED for ALL Inspections
Building Inspector's Office Hours 7:00 - 8:00 a.m.

A permit shall expire and become null and void if substantial work is not commenced within 180 days, or if the work is suspended or abandoned for a period of 180 days.

All work must be left open for inspection.

Inspector must sign all spaces pertaining to this job. **NOTE:** The Uniform Building Code provides for a special charge for reinspections when the work is not ready for initial inspection.

# CI REPLANDS PERMIT NO. Building and Afety Department Permit NOTE: THIS FORMAT IS AS REQUIRED AND PRESCRIBED BY STATE LAW

OWNER-BUILDER DECLARATION  I hereby affirm under penalty of perjury that I am exempt from the Contractors License Law for the following reason (Sec. 7031.5, Business and Professions Code: Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500).):    1, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044, Business and Professions Code: The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who does such work himself or herself or through his or her own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he pr she did not build or improve for the purpose of sale.).   1, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code: The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who contracts for such projects with a contractor solicensed pursuant to the Contractors License Law).    1 am exempt under Sec.	be made in connection with work authorized with this permit, and that no building structure, scaffolding, falsework, or demolition or dismantling thereof, will be more than thirty-six (36) feet high. (Chap. 3.2. Grp. 2. Art 2, Section 341, Title 8, C.A.C.)  As owner-builder, I will not employ anyone to do work which would require a permit from Division of Industrial Safety, as noted above, unless such person has a permit to do such work from the division.  Division of Industrial Safety Permit No.

ADDITIONAL INFORMATION

### **ESA USER QUESTIONNAIRE**

Phase I Environmental Site Assessment ASTM Standard 1527-21

### **Subject Property:**

To qualify for one of the Landowner Liability Protections (LLPs)²⁴⁷ offered by the Small Business Liability Relief and Brownfields Revitalization Act of 2001 (the "Brownfields Amendments"),²⁴⁸ the user must conduct the following inquiries required by 40 C.F.R. §§ 312.25, 312.28, 312.29, 312.30, and 312.31. These inquiries must also be conducted by EPA Brownfield Assessment and Characterization grantees. The user should provide the following information to the environmental professional. Failure to conduct these inquiries could result in a determination that "all appropriate inquiries" is not complete. (*Note: double-click boxes to check or uncheck*)

(Note: dodbie-click boxes to check of unchecky
(1) Did a search of land title records (or judicial records where appropriate) identify any environmental liens filed or recorded against the Subject Property under federal, tribal, state, or local law?
X No ☐ Yes (if yes, please describe)
(2) Did a search of land title records (or judicial records where appropriate, see Note 1 above) identify any AULs, such as engineering controls, land use restrictions or institutional controls that are in place at the Subject Property and/or have been filed or recorded against the Subject Property under federal, tribal, state or local law?
☒ No ☐ Yes (if yes, please describe)
(3) Do you have any specialized knowledge or experience related to the Subject Property or nearby properties? For example, are you involved in the same line of business as the current or former occupants of the Subject Property or an adjoining property so that you would have specialized knowledge of the chemicals and processes used by this type of business?
X No ☐ Yes (if yes, please describe)

(4) Does the purchase price being paid for this Subject Property reasonably reflect the fair market value of the property? If you conclude that there is a difference, have you

ASTM 1527-21 User Questionnaire Page 2

considered whether the lower purchase price is because contamination is known or believed to be present at the Subject Property?		
X No Yes (if yes, please describe)		
The purchase price does not account for any contamination of the site		
(5) Are you aware of commonly known or reasonably ascertainable information about the Subject Property that would help the environmental professional to identify conditions indicative of releases or threatened releases? For example, as <i>User</i> ,		
(a.) Do you know the past uses of the Subject Property?		
☐ No  ☐ Yes (if yes, please describe)		
The site was previously occupied by a waterpark.		
(b.) Do you know of specific chemicals that are present or once were present at the Subject Property?		
(c.) Do you know of spills or other chemical releases that have taken place at the Subject Property?		
(d.) Do you know of any environmental cleanups that have taken place at the Subject Property?		
(6) As the <i>User</i> of this <i>ESA</i> , based on your knowledge and experience related to the Subject Property, are there any obvious indicators that point to the presence or likely presence of releases at the Subject Property??		
X No Yes (if yes, please describe)		

## **Additional Information**

This information is intended to assist the *environmental professional* conducting the ESA, but is not necessarily required to qualify for one of the *LLPs*. The information includes:

(a) Why is the Phase I being conducted?

For the due diligence of our potential acquisition of the Property.

(b) What is the type of property and type of property transaction, for example, sale, purchase, exchange, etc. ?

Purchase of currently vacant land.

(c) What is the complete and correct address for the Subject Property (a map or other documentation showing Subject Property location and boundaries is helpful),

1101 California Street, Redlands, CA 92374

(d) The scope of services desired for the Phase I (including whether any parties to the property transaction may have a required standard scope of services on whether any considerations beyond the requirements of Practice E 1527 are to be considered),

N/A

(e) Please identify all parties who will rely on the Phase I report.

North Palisade OpCo, LLC and its affiliates, assignees, lenders, and investors.

(f) Please identify the Subject Property contact and how the contact can be reached,

Pete Williams - North Palisade Partners (818) 468-0566

(g) Any special terms and conditions which must be agreed upon by the environmental professional.

N/A

(h) Any other knowledge or experience with the Subject Property that may be pertinent to the environmental professional (for example, copies of any available prior environmental site assessment reports, documents, correspondence, etc., concerning the Subject Property and its environmental condition) and any environmental permits such as air quality management district, stormwater, wastewater, underground storage tanks, or aboveground storage tanks.

N/A

(i) Can you provide a recent Chain of Title report for the Subject Property?

Provided

ASTM 1527-21 User Questionnaire Page 4

This questionnaire was completed by:

## Additional and Supportive Information

Please indicate and provide any other knowledge, or documentation with the Site that may be pertinent to the *environmental professional* (for example, copies of any available prior environmental site assessment **reports**, documents, correspondence, etc., concerning the Site and its environmental condition) and any environmental **permits** such as air quality management district, stormwater, wastewater, underground storage tanks or aboveground tanks, especially in support of "yes" answers above.

Owner/Operator Questionnaire Page 5

Thank you very much for your cooperation.

This questionnaire was completed by:

Name: THE CALIFORNIA GATEWAY, LLC

a California limited liability company

Signature:

Frank Mistretta, Jr.

Title: Manager

Please describe the length of and nature of your experience/knowledge of the Site.

I am the current manager of the entity which currently owns this property.

The foregoing responses are provided as a courtesy HMC only, and do not qualify as representations made to North Palisade OpCo, LLC, a Delaware limited liability company ("Buyer") or any of its members, managers, officers, affiliates, successors, assigns, agents, employees or contractors. To the extent a court of competent jurisdiction determines to the contrary, then all such responses, regardless of how the question or response are phrases, are made to the best of Seller's "knowledge" as such term is defined in Paragraph 12.2 of the Standard Offer, Agreement and Escrow Instructions for Purchase of Real Estate between Buyer and The California Gateway, a California limited liability company, the addendum thereto, and any amendments. (collectively, the "PSA") and all responses are otherwise subject to all terms, conditions and limitations of the PSA.
