PROJECT DETAILS

Contractor: Matich Corporation

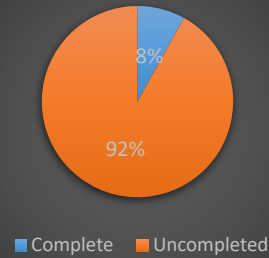

Description: This project will replace approximately twenty-five (25) lane miles of streets, selective replacement of curb and gutter, and striping replacement at various locations throughout the City.

Start Date: 02/20/2024

Anticipated End Date: June 2024

Work Schedule: M-F (7am - 4PM) excluding City recognized holidays.

CONSTRUCTION PROGRESS

Project Updates & Issues

The Contractor continues to replace concrete curb and gutter in various locations in the City. Potholing continues in Area D of the Project. This week, manholes will be lowered to prepare for the cold mill and overlay of streets.

2 Week Look Ahead

The Contractor will continue to lower manholes and will begin the cold milling of various streets.

Current Construction Process

The Contractor is currently on schedule with replacing concrete curb and gutter, potholing, and lowering manholes in various locations in the City. Construction notices have been given to affected residents. If restricted parking is necessary, "No Parking" signs will be posted 48 hours in advance of construction activities.

Cross Gutter Replacement
