PROJECT DESCRIPTION (INCLUDING LAND USES, BUILDING SQUARE-FOOTAGE, ETC.):

(Fields outlined in red indicate information is required on that line.)

APPLICATION REQUIREMENTS

- 1) Completed Preliminary Review Application Form.
- 2) Twelve (12) copies of a Preliminary Site Plan that provides the following information.
 - Location Map
 - North Arrow
 - Scale (use engineering scale)
 - Assessor's Parcel Number(s)
 - Existing Site Address, if any
 - Existing Street Name(s)
 - Lot Dimensions
 - Existing Building Dimensions, if any
 - Proposed Building Footprint and Square-Footage

Please note: the more information about the site or project that can be provided, however preliminary or conceptual, will enable City staff to provide more detailed comments and feedback about the proposal.

- 3) Payment of the applicable Filing Fee as established by the City Council. Please refer to the current fee schedule for applicable filing fee information.

OPTIONAL:

- For applicants desiring architectural design review as well, provide twelve (12) copies of Building Elevations or conceptual Architectural Renderings that clearly label the proposed building height, design features and architectural elements, colors and materials, etc. Alternatives to preparing elevations or renderings may also be considered (contact staff to discuss).
Please note: the more information about the architectural design that can be provided, however preliminary or conceptual, will enable City staff to provide more detailed comments and feedback about the proposal.
