APPLICATION PROCESS

STEP 1 – Review Application Packet

The Special Events Application Packet has been designed to assist event organizers and will help with the development of event plans that comply with local codes, laws, policies and regulations governing activities associated with the production and management of special events. By applying to schedule a special event, you and your representatives agree you have the sole responsibility at all times to be knowledgeable about, fully understand, and to meet or exceed all local and state codes, laws, policies, and regulations associated with the proposed event and its related activities.

STEP 2 – Assess Venue

As an event organizer it is your responsibility to assess the venue, anticipated attendees, and event components of your proposed event prior to submitting the applications for the various permits. It is important to develop management strategies that ensure the safety of your guests, citizens, and the surrounding environment affected by your event.

STEP 3 – Submit Application

The City of Redlands requires permit applications to be submitted no later than ninety (90) days prior to the actual date of your event and allows applications to be submitted as early as one year before the event date. At the sole discretion of the City of Redlands, you may be authorized to submit written amendments to your initial permit application due to unique or changing circumstances related to the event. Amendments to your permit application must be submitted to the One Stop Permit Center no later than 14 days prior to your event.

All Applications Must Be Complete. The City of Redlands is not required to act upon an incomplete permit application. A permit application will not be approved or denied and you will not have requested venues reserved or held if you have not provided the required information. It is therefore important to provide all required information and documentation in a timely and complete manner. For an application to be considered complete, applicants must submit the following minimum information required in sufficient detail that the material can be understood and assessed: (there is a checklist form on page 13 to aid in the process).

- Special Events Permit Application with Site Plan
- Street Closure Permit with Route Map – if applicable
- Barricade Rental Form – if Street Closures requested
- Request to Serve Alcohol Permit form with Site Plan – if applicable
- Submit all required Certificates of Liability Insurance

STEP 4 – Review Process

After submitting your complete application and forms, your application will be reviewed by those departments involved with your requests in which fees and deposits will be determined. Departments may place conditions on your event, for example, solid waste requirements or specific parking plans.

STEP 5 – Submit Fees and Finalize Details

Once a Special Event Packet has been reviewed and approved; fees are due. A Coordination Meeting will be scheduled approximately two weeks prior to the event consisting of the Event Organizer(s) and representatives from supporting departments to settle/confirm final details.
